Chapter 1 by Lizabeth Sche

I am a secret daughter. I have time traveled and am lost. My famous father was an amazing man. He made the way for Barak Obama to become president. If it wasn't for my dad, Honest Abe, the world would be so much darker. This is why I have to find someone to fix the time machine and stop his murder. On a side note, I really screwed up and erased myself from history. How I am alive to tell you, I don't know.
